

DEFENSE INDUSTRY DAY

Strengthening the Midwest Defense Supply Chain

Step into the rapidly expanding Department of Defense (DoD) manufacturing sector. Defense Industry Day gives you direct access to decision makers, industry leaders, and supply chain experts who can help you unlock new contracts, diversify your customer base, and position your capabilities within the Department of Defense supply chain.

*This event is intended for manufacturers. Non-manufacturers may participate by becoming sponsors.

What to Expect

- ✓ Prime Contractor Panels
- ✓ Expert Presentations & Breakout Sessions
- ✓ Supplier Matchmaking & Networking
- ✓ Manufacturing Facility Tour
