Sponsorship Opportunities

Previous events have drawn more than 75 active and engaged prospects.

Over the past two years, our “open house” events have been successful for all who participated. To create even more value for both attendees and exhibitors, we’ve expanded hospitality and grown the event. We’ve extended the time to give attendees a chance to explore opportunities with our exhibitors and get more hands-on time with robots.

To support our continental breakfast, food truck lunches, and craft beer tastings, we are asking for your support in sharing the investment.

Sponsorship Opportunities:

There are three levels of sponsorship opportunities! Sponsorship fees cover both days.

Platinum (only 3 available) \$1000

- This sponsorship gives you a tabletop in the exhibit area for both days, and lunch for your booth attendees
- Signage in the exhibit area.
- Thank you mention in the presentations.
- Your video will be played in the presentation area before and after the presentation segment.
- Your name will be included in the email invitations to the attendees.
- You’ll be highlighted in our social media posts.
- You’ll have one presentation slot with your name and company highlighted in the email and video invitations.

Gold \$750

- This sponsorship gives you a tabletop in the exhibit area for both days, and lunch for your booth attendees.
- Signage in the exhibit area.
- Thank you mention in the presentations.
- You’ll receive mention in our social media posts.
- Your name will be included in the email invitations to the attendees.

Silver \$500

- This sponsorship gives you a tabletop in the exhibit area for both days, and lunch for your booth attendees.
- You are welcome to attend the presentations.

With the meeting theme being “Machine Shop of the Future, the information you share about the market and technology trends, and more will be a big part of the attendee draw.

Speaking slot selections are awarded on a first come, first served basis.

Once speakers are confirmed, we will produce the invitation video that includes your name and presentation title (if you have it) and we will begin distribution to draw attendees.

For more information, contact Ryan Sarti at rsarti@fusionoem.com or call him at 312-543-6952.

Are You Ready for the Machine Shop of the Future? Your Competitors Are Trying to Get There!

What:

Our next Open House is designed to give the machining and manufacturing world effective/hands-on experience with the technologies and ideas that are driving the future of machining

When:

Tuesday, July 12th and Wednesday, July 13th at FUSION/RoboJobUSA offices at 6951 High Grove Blvd. Burr Ridge, Illinois 60527.

Format:

This event is a departure from what we've done in the past. Our goal is to give attendees greater value and more depth of experience in a more relaxed setting.

Agenda: (Same agenda both days)

- 0800 Registration, coffee, continental breakfast
- 0900 Introduction
- 0910 RoboJob – Why Robots
- 0940 Sponsorship Speaking Opportunity 1
- 1010 Sponsorship Speaking Opportunity 2
- 1040 Sponsorship Speaking Opportunity 3
- 1110 Customer Panel: 3 customers talk about their business, automation journey including robots, what they learned, and the impact on their business.
- 1145-1330 Food trucks serving lunch

Exhibit area, robots hands-on available 0830-1600 each day

NOTE: July 13th speakers start at 1230 instead of 0900
