

KANE COUNTY MANUFACTURING

Grant Program

Build Stronger Teams & Smarter Operations

Whether or not you've already participated, new opportunities are available for your organization

In partnership with the Kane County Economic Development Corporation, this program helps local manufacturers drive continuous improvement and strengthen long-term competitiveness through four key initiatives.

1

10 new Lighthouse manufacturers*

- Up to \$30,000 in IMEC support
- Operational visioning and tailored projects

Application: Nov 3 - Dec 12

2

Continued support for previous Lighthouses

- Up to \$5,000 in funding to sustain and expand progress
- For previous Lighthouse manufacturers

3

Countywide survey

- Share input on priorities
- All Kane County manufacturers invited

4

Peer roundtable discussions

- Learn from other local manufacturers
- All Kane County manufacturers invited
